ABOUT

Light up the path on your next excursion with the 12 Survivors Ignite-110 Headlamp. Whether scouting terrain or setting up camp, the 12 Survivors Ignite-110 Headlamp is the perfect fit for both adults and children of any size with its adjustable head strap and beam height. Featuring five lighting modes ranging up to 110 lumens, SOS, and red lighting, it provides long distance lighting and map reading that's easier on the eyes. With motion sensor technology, the 12 Survivors Ignite-110 Headlamp provides easy, hands-free use without struggling to switch on a button in high intensity situations.
